

PAGADOJU UMESH

pagadojuumesh869@gmail.com | +91 9390254712 | DOB - 25 JUN 2005

CAREER OBJECTIVE

To leverage my skills and experiences in full stack development, content creation, and community building while exploring opportunities to grow both technically and creatively. I aim to build a strong professional network, contribute to impactful projects, and continuously learn to make a positive impact in technology and society.
